

## Remembrances

### **Dr.J.Sathish Kumar M.D**

D.O.B.10.12.1974

D.O.D.03.08.2011

Dr.Sathish was my co postgraduate in Madras Medical College. He was very humble and friendly with all the PGs and faculty members. I could remember his commitment towards academic and research activities. He was doing research in CRP level in obesity. After completion of M.D, he worked in Sree Balaji Medical College, Chennai, PIMS, Pondicherry, PSG Coimbatore, and Sri Venkateshwara Medical College, Pondicherry. Dr.Sathish had been a very student friendly Professor. Unfortunately, his premature death has made his career incomplete. May his soul rest in the lotus feet of The Almighty.

-Dr.Thirupathi Chinnaswamy
